CHAMPIONSHIP NOTES

JUDGES

1. All Chief Judges must collect boards and equipment from the Equipment Store at the East end of the Stand, before 10:30 a.m.
2. In the event of a Best Performance, times, heights or distances must be checked and certified by the appropriate Referee, who must be summoned by the Chief Judge IMMEDIATELY a record has been achieved. The event must not be re-started until the record has been certified by the Referee.
3. Immediately after the completion of an event, 1st, 2nd and 3rd must be taken by the Chief Judge, from that event to the Winners' Dais, for the presentation of track-suit badges.

   Trophies will be presented at the end of the meeting.

COMPETITORS

1. As Heating on the day has been introduced in 1984, it is IMPERATIVE that competitors listen to the Public Address system and report to the caravan situated behind the track assembly area, when called, approximately half an hour before the heats of their event are scheduled. Athletes will be told their heat number and Lane draw when the event itself is called, by the Mark Stewards. When Declarations are due, a general announcement will be made from the Stadium Public Address system. Individual names will be called from a loud hailer in the area of the caravan.
2. Where an athlete is entered for two events in the same time zone, he/she must report to both sets of officials. TRACK EVENTS TAKE PRECEDENCE. Field Events will start on time, regardless of whether athletes have reported or not. Failure to report could lead to disqualification.
3. The programme is so arranged that Track Finals, except for the Boys' 400m Hurdles and 3,000m, will take place in the afternoon session.
4. Field Events will be finalised in the session indicated in the programme as follows:

   High Jumps and Pole Vaults - to completion
   All other Field Events - three trials. The best four will have a further three trials, being credited with the best of their six trials.

5. School numbers must be worn by athletes on the FRONT and BACK of vests.
6. Lane draw is as per programme for straight finals only.
7. Competitors should note that no assistance by teachers, parents or club coaches is allowed once they have started competing in an event. Failure to comply with this rule could lead to disqualification.
8. 1st, 2nd and 3rd placed athletes in Groups B and C should report to Mrs D Graham (St Leonard's) and Mr A Fairnie (Auchterderran J.H.S.) at the hut situated in front of the middle of the stand, to indicate their avaiability for the Fife Regional Team in the Inter-Area match on the afternoon of Tuesday 26th June 1984, at Scotstoun, Glasgow. Please note that this does not mean automatic selection. Athletes who have been selected will be notified by Friday 22nd June, via their Headteacher.
